**JULY MEETING-RICK BERTA'S-THREE AUDIOPHILE HORN & ES SYSTEMS**

**We will be meeting at Rick Berta's new house which features a 2000 sf main listening room in the basement. Rick has been busy with his systems to say the least (see below!) and is looking forward to demoing them for us. DO BRING along your favorite music to play either on disk, vinyl, or reel-to-reel!**

**BYOC (Bring Your Own Chair)-Seating is limited in the main listening area, so Rick has requested that each person, if possible, please bring their own folding chair.**

**Their are three different systems to hear at Rick's as follows:**

**Main Listening Area System**

**Custom Ming 300B amps, preamp  
Maplenoll Ariadne Signature air-bearing table/arm**

**2 Speaker Systems:**

**1st-Lowther D4, Focal TLR Tweeter, Lambda 15" Bass  
2nd-PHY 8" full-range driver, University 206 tweeter, TAD 1602 15" Bass**

**Digital-Muse Model 9**

**Additional Analog: Ampex 350 Tube Reel to Reel with original Master Tapes!**

**Upstairs System**

**Custom 4-way Horns (Rick will explain!)  
Stan Warren Modified Aiwa/MSB digital system  
45 Tube amps  
Sonic Euphoria preamp**

## **Four Seasons Room**

**Acoustat 2+2's**

**Tact 2.2 preamp/dac/digital**

**Modified ART amplifier**

**Rick also has some free stuff to give away and some audio items for sale.**

**Don't miss Rick's special tacos, and libations will be on hand, including beer and wine.**

**See you all Sunday!**
