MAY MEETING -- BAMBERG ENGINEERING SOUND LABS

We welcome Bamberg Engineering Sound Labs (www.bambergaudio.com) ,an Illinois/Indiana based speaker manufacturer to the May meeting. Steve Fay, the Sales Manager will present two of their speaker models. Philip Bamberg, the designer has been developing their speakers over the past 15 years, with emphasis on crossover design and solid cabinetry to allow the selected drivers to work at their best. Stephen will be bringing the same system just recently demonstrated at the AKFest in Michigan.

**Bamberg Audio Series 5 TMW in Titanium Gray/ Maple
Bamberg Audio Series 2 TMM in Velocity Red**

**Modwright's LS 36.5 line stage preamp in Silver
Modwright's New KWA 100 power amp in Silver
Modwright's Transporter Truth Mods
Alchemy Product 8 transport**

All cabling will be provided by SoundStrings their New Gen II cables

Power conditioner will be PI Audio Groups UberBuss

This will be a unique opportunity to also hear the Modwright Electronics (www.modwright.com) , including their modified Transporter which has attracted much positive attention. There will be a transport on hand as well, so be sure to bring along your favorite music on CD. Be there, a week AFTER Mother's Day, May 16th!
