JUNE MEETING--MIKE KAY from ARCHON AUDIO-DEMO of AMARRA and PURE MUSIC, REFERENCE 3A GRAND VEENA LOUDSPEAKERS, HEGEL and AUDIOVALVE ELECTRONICS

**We are pleased to welcome Mike Kay from Archon Audio--
<http://www.audioarchon.com/Welcome.html> a Chicago area dealer located in Libertyville who will be demoing a high end system of new and well received components. We will have an opportunity to hear the Reference 3A Grand Veena speakers driven by both the solid state Hegel and tube Audiovalve electronics respectively. We will also listen through a Mac Mini and hear both the Amarra and Pure Music players. The system on hand will be:**

- Mac Mini with Amarra and Pure Music**
- The NEW Hegel HD20 DAC**
- Audio Valve Eklipse tube pre-amp**
- Audio Valve Challenger 180 Mono block Tube Amp (180 WPC)**
- Hegel H20 Solid State Amp (200 WPC)**
- Reference 3A Grand Veena speakers**

Do bring along your favorite music on CD as Mike can both play directly or copy your favorite track. This is a great opportunity to hear a loudspeaker that has been cited as a reference with both solid-state and tube electronics, as well as the two most currently used music players with Macs. See you all this Sunday!
