

After these many months, it's great to have an opportunity to meet again in person. Our thanks to Rick Berta for doing this meeting.

In Rick's words:

This meeting is to celebrate our vaccinated members being able to meet again. Please bring your vaccination cards with you. If you are not vaccinated and have a medical reason please call 708 446 7576, so we can discuss.

I wish all our members a fine day, Rick Berta

All attendees are encouraged to bring a folding chair. Food and refreshments will be provided, with lemonade and water to drink. Anyone wishing to have soda or beer please bring some.

MEETING NOTICE - Saturday, JUNE 12th, 1:30PM - 5:00PM (Please note Saturday and earlier start time)

Add your address to the directions tab in the map for your specific directions.

Most (if not all) of us who don't live near Rick will likely be exiting I-355 at the 159th St exit. Click on Directions for the map link above and enter your starting location.

Rick has 3 high-efficiency, tube SET systems featuring the following DACs: Denafrips Terminator, Auralic G3 Vega, and Topping D90.

The main system (one speaker shown above) features Lowthers with circular horns, Edgarhorn 100Hz horns with Altec 515B-8G-HP drivers, a custom 0a1 tube preamp, a custom 46 tube amp, and 2 REL subs.

Look forward to seeing you there for another great time at Rick's!
