**SEPTEMBER MEETING-TOSKA AUDIO- USHER
AUDIO TD-10 DMD Loudspeakers with Tube and Solid
State; AUDIO SOLUTION FIGARO XL Loudspeakers
with BOB CARVER CRIMSON 350 Tube Monoblocks**

**We are happy to meet again with Peter Mulligan of
Toska Audio (www.ToskaAudio.com) at their new (for
us) location in Highland Park for a presentation of two
new great speaker systems.**

**The first half of the meeting will be based around the Usher
Audio TD-10 DMD Loudspeakers (that we missed out on in
July) driven by excellent tube and solid state setups and
featuring both a diamond midrange and a diamond tweeter.
We will have the opportunity to hear the speakers with both**

tube and solid state electronics. The first setup that includes both tube and solid state amplification will be as follows:

Usher Audio TD-10 DMD Loudspeakers
