### Meeting Notice-Sunday, October 28th, 2:00PM-5:00PM

#### Details for the Oct 28th (Sunday) meeting for the Chicago Audio Society :

This is a second sending, as the first email had faulty links in it.

The meeting will NOT be at the usual place, but at Ultimate Audio Video :

Ron Lapporte from Ultimate Audio Video is having 3 different 2-hour sessions on Sunday, October 28th with Michael Fremer limited to 25 people each. For logistics reasons he is chartering transportation to pick everyone up at the Northbrook train station parking lot.

Since this meeting is first come, first serve (there is a maximum capacity of 75 total for all 3 sessions), the announcement at this time is going to our paid members only. In about another 2 weeks we will let everyone else know.

#### PLEASE NOTE the following:

- 1) No RSVP = not attending the meeting !
  - 2) Everyone should give in order their 3 time preferences  
AM, early PM, mid-late PM
  - 3) RSVP = emailing Ron Lapporte at: ([ron@ultimateaudio-video.com](mailto:ron@ultimateaudio-video.com))
  - 4) Emails should be titled: Fremer Visit at Ron's request.
- Other details will be supplied by Ron via email.
