**DECEMBER MEETING-QUINTESSENCE AUDIO featuring FOCAL SPEAKERS,  
PASS LABS and SIM AUDIO MOON ELECTRONICS**

**We will be meeting at Quintessence Audio in Morton Grove  
([www.quintessenceaudio.com](http://www.quintessenceaudio.com)) to audition two high-end systems featuring  
some of the leading brands in the high-end including Focal Speakers and  
Pass Labs and Sim Audio Moon electronics. Our thanks to Mick Survance,  
owner of Quintessence Audio, for making this available to the group and  
hosting the meeting.**

**Room One will feature Sonus Faber Amati Futura speakers, Pass Labs  
XA100.5 monoblock amps, Pass Labs XP20 Preamp, and both digital and  
analog sources.**

**Room Two will feature Focal Scala Utopia speakers with Sim Audio Moon  
Evolution amp and preamp as well as both digital and analog sources.**

**Be sure to bring along some of your favorite music on CD and Vinyl.**

**See you all this Sunday!**
