**DECEMBER MEETING-QUINTESSENCE AUDIO PRESENTING SYSTEMS
FEATURING SONUS FABER AIDA SPEAKERS, T+A ELEKTROAKUSTIK
CRITERION TCD110S SPEAKERS, AUDIO RESEARCH and T+A
ELECTRONICS**

**Our thanks to Mick Survance, owner of Quintessence Audio, for hosting our
December meeting at Quintessence Audio (www.quintessenceaudio.com) and
having on hand some of the most interesting high-end products for us to listen to.
Featured are the flagship Sonus Faber Aida speakers driven by Audio Research
electronics (and possibly the very new Audio Research Genesis Series):**

**There will be analog, digital, and computer audio sources. Bring along a favorite
musical selection.**

IN ADDITION--Quintessence Audio will be hosting an Open House on Thursday, December 11, from 6-9PM introducing the new Audio Reseach Genesis series electronics with the Sonus Aida speakers. Representatives Dave Gordon from Audio Research and Allan Hagar from Sonus will be on hand to present the products and answer your questions.

**Our thanks to Quintessence and Mick for hosting what should be a very enjoyable pre-holiday meeting.
See you all Sunday!**
