**DECEMBER MEETING-QUINTESSENCE AUDIO PRESENTING SYSTEMS
FEATURING SONUS FABER, FOCAL, DYNAUDIO, AUDIO RESEARCH,
AURENDER, BERKELEY AUDIO DESIGN, AMG, and CLEARAUDIO**

**Our thanks to Mick Survance, owner of Quintessence Audio, for hosting our
December meeting at Quintessence Audio (www.quintessenceaudio.com) and
presenting some of the most interesting high-end products listed above.**

**The front listening room will feature Sonus Faber speakers, Audio Research
amplification, Berkeley Audio Design Reference DAC and Aurender digital
source, and AMG and Clearaudio analog source.**

**The rear listening room may feature speakers from Dynaudio, Sonus Faber, or
Focal, with PrimaLuna amplification, Aurender digital, and AMG and
Clearaudio analog.**

**There will be analog, digital, and computer audio sources. Do bring along your
favorite musical selections on vinyl or disc.**

**Our thanks to Quintessence and Mick for hosting what should be a very
enjoyable pre-holiday meeting.
See you all this coming Sunday!**
