Our great thanks to Tom and Monica Adamczyk for hosting us at their newly opened showroom of VIP Home Theaters (<https://vipthetheaters.com/>). Tom Adamczyk brings decades of custom high-end home theater and audio experience to VIP Home Theaters. VIP Home Solutions offers:

End-to-end solutions Include:

- Home Theater & Media Room Design
- High-end audio and visual systems
- Smart Home Solutions
- Architectural Planning
- Custom Millwork

A Venue for Private Gatherings:

The showroom also serves as a unique venue for private gatherings, from celebrations to exclusive screenings. With cutting-edge sound and visual technology, your event will be one to remember.

Additionally, they are launching a new line of custom hybrid loudspeakers featuring Satori drivers and Radian ribbon drivers.

The front room has 2 channel audio systems for listening. The back room is the home theater itself which seats 20 people. Tom will be doing a Home Theater presentation at 2:30PM and again at 3:15PM each lasting about 30 minutes to accommodate everyone. Here is a YouTube link
